21:58:12 13SEP16 185770 LAM01
^CCCCI. ADVICE FROM CCCCCI. FOR THIS OP TO GO AHEAD TOMORROW; 1. FULL RISK ASSESSMENT AND CONSIDERATION TO BE GIVEN TO THE NECESSITY TO CARRY OUT EVICTION, 2 PARTNER AGENCIES TO BE IN ATTENDANCE FOR MULTI-AGENCY EFFECTIVENESS; 3. PLAN FOR WHERE TRAVELLERS ARE GOING TO BE ESCORTED TO; 4. ENSURE LEGAL POWERS HAVE BEEN SERVED CORRECTLY. IF TSG ASSISTANCE IS REQUIRED TO ASSIT KG OFFICERS, SUGGEST REQUESTING U3:4 ON DUTY @1400

09:08:14 14SEP16 202004 B3350
^KG1E - I AM GOING TO NEED SOME EXTRA RESOURCES FOR THIS. THE TRAVELLERS HAVE BEEN INSTRUCTED TO BE OFF THE SITE BY 10 AM AND THIS WILL THEN BE ENFORCED. WE HAVE 3 CRIME SCENES WITH A 4TH EMERGING FOR A SUSPICIOUS SUDDEN DEATH SO VERY FEW OFFICERS FROM IF ANY WHO CAN ASSIST FROM ERPT . APPROXIMATELY 12 NPT OFFICERS HAVE BEEN IDENTIFIED BUT WE ARE GOING TO NEED EXTRA OFFICERS AS FROM MY UNDERSTANDING THERE ARE 24 CARAVANS ON THE SITE. WE REQUESTED TSG LAST NIGHT BUT WERE ADVISED THEY WERE COMING ON DUTY EARLY TODAY TO DEAL WITH SOMETHING ELSE. WE WILL REQUIRE EXTRA RESOURCES FOR THIS

Information

Officers attended LYON BUSINESS PARK, RIVER ROAD BARKING. This was to a call for assistance by bailiffs who were there to issue notice to travellers that had gained access to an unused warehouse, unit 0.

Police were aware the night previously that travellers had gained access and were inside the building. Today the travellers had moved to the car park of the same unit.

None of the travellers would engage with police and were aggressive towards the bailiffs as they were putting up notices.

There were 7 caravans visible in the car park, and unknown if any were still in side due to them barricading the doors shut to the unit and would not allow police to enter to confirm if any damage had been caused.

They had secured the car park by using a heavy duty chain and padlock on the metal gates

The travellers have attempted to email a video from inside the unit to PC 582KG but this has been blocked by web marshal. 582KG has sent a request for this to be released

Attached is a copy of the notice posted by the bailiffs

Information

CAD 9240/13JUN16 - The crew of KG20L - PC Collins 615 KG on scene.

At approx 2046 hours whilst dealing with an RTC on the HEATHWAY junction with REEDE ROAD i noticed several caravans going down the alleyway to PEAK GYM between 5 and 7 REEDE ROAD.

I used the station van to block the entrance to prevent further entering who were waiting however approx 10 to 15 caravans had entered the site and chained the gates closed.

I inspected the gate and could not see any damage caused.

The group of travellers stated that they didn't know who owned the land but intended to stay there.

A PSU was on duty and was left at the venue blocking further attending.

Information

On MONDAY 27/06/2016 reports of travellers were received.

As of 1430HRS a group who are apparently numbering approximately 35 in total, had set up an encampment on the site of the old WHITE HORSE PUBLIC HOUSE which is now a piece of land surrounded by blue hoardings at the junction of NORTH STREET and LONDON ROAD BARKING

No evidence of any criminal offences could be seen

There were 6 residential caravans parked on the land, with four motor vehicles:

07WX8200 - silver TOYOTA saloon

05KY10251 - silver FORD TRANSIT van

11C9085 - red TOYOTA saloon

05C22432 - blue FORD TRANSIT van with "CARPENTRY SERVICES" written on the side in a white typeface

There were 4 dogs (all little puppies and not interested in people at all) and 2 chickens on site

In the middle of the site is the old pub cellar, which has been fenced off.

The land was otherwise clear and free of rubbish.

I have updated the LONDON BOROUGH OF BARKING AND DAGENHAM.

The owners are taking legal advice prior to beginning proceedings to having the group moved.

Information

At 1200hrs on 20/07/2016 a large group of members of the travelling community arrived at CITY LIMITS, COLLIER ROW ROAD, ROMFORD, RM52BH and gained access to the adjacent field by removing a barrier, cutting branches from the trees and damaging a lock on the main gate allowing access from Collier Row Road.

Owners challenged the group who arrived in ten vehicles and seven caravans. The group were aggressive and refused to leave. See also KGRT00350538.

Owners have since issued them with an eviction notice and are in the process of seeking an eviction.

Since the group have been on the land owners have found that a lot of rubble, masonry and materials, including hazardous materials such as asbestos, has been dumped on the land.

Photos have been taken of the rubbish dumped on the land.

Information

On Wednesday 27/07/2016 at about 1630 hours officers attended a call to bailiffs wanting assistance in evicting some Travellers from the old DAGENHAM MOTORS site in LYONS INDUSTRIAL ESTATE just off of RIVER ROAD. When Officers arrived on scene they spoke to the bailiff in charge who was

Roly BAKER of VANGUARD ASSOCIATES LTD — re clar +
T07500056576

Originally they wanted the MALE arrested that they had seen via CCTV to have broken the lock on the main gate to gain access to the parking lot of the warehouse; however, it was explained that we did not have the resources available to complete this as the eviction notice was last minute. As the eviction notice was not court backed it would not have been possible to evict the travellers but the bailiffs were more concerned about them gaining access to the main building and dumping potentially industrial waste inside the building.

The Bailiffs brought down a locksmith to gain access to the warehouse via the front doors through the offices; however, due to the length of time that it took to get through the doors the travellers were already inside the building and started to damage the inside and were gaining access to different rooms via the cavity in the ceiling. Eventually it was decided by the bailiffs to break the front glass door to gain access to try and prevent any more damage to the inside; however, once entry was gained you could only walk into the first office and then upstairs as they had blocked the other doors.

When you went upstairs and went to the door on the left hand wall and looked through the glass there was another door to the right and they had tied the two doors together using rope and on the other side of that door was numerous males. These males were banging on the door and visible showing what we believed to be broom handles shouting "come through the door, we dare you" and "see what happens when you come through that door".

Due to the unknown on the other side of that door, that being, if there were children in there or not and how many males there were and also the lack of resources it was decided by KG1 and the bailiffs to withdraw from the situation and they would have to obtain a court warrant and plan an eviction with enough resources attending. We left the scene and the bailiffs secured the property via the shutter.

On THURSDAY 11TH AUGUST 2016 from 1800hours till 2200hours travellers had entered into the car park area of VAP CHURCH CROSSNESS ROAD unlawfully. No one was able to identify who had broke the lock securing the car park area

Police were called to Crossness Road, Barking following several calls of large groups arguing near VPA Church, Thames Road.

A group of travellers, numbering twelve caravans, had gained access to the rear car park of the church, which had been gated with a locked and secure padlock.

They had broken the padlock and entered the car park, which had two portacabins in it which are used as the *turk* shops for the church.

The landowner, *Vish Babbar* was contacted and advised that permission had not been granted for the travellers to move onto the land.

Inspector O'Donohue and PS Tanner 22KG attended and travellers were issued with a Section 61 Criminal Justice and Public Order Act notice to move from the area.

After their departure VIW2 found that two portacabins had been broken into, with damage to the doors where the flimsy locks were fitted and they allege that £1000 in cash from the shop float and a number of other items (listed in property page) were stolen totalling around £3000.

Mediated by PC 124KG MCQUARRIE and KG1 INSP O'DONOHUE where the travellers agreed to leave after being served with a section 61 notice

When inside that had apparently taken items of food drink and tables cables and broke a lock to a port a cabin. SOCO CSE 424 consulted and then agreed there were no forensics as church members had contaminated potential forensics

The following vehicles located in the car park area prior to leaving are

Information

On Friday 4th November 2016 officers were on mobile patrol, part of an local Aid serial 762A. Call came over the radio as a Traveller function going on at the SOCCER CENTRE, COOKS ROAD, DAGENHAM and its kicking off.

Informant stated that there is approximately 50 of them at the venue and they are fighting, also stated that they are being aggressive towards staff and smashing up glasses and refusing to leave the venue after being informed to leave.

Officers arrived on scene at approximately 23:23 hours and appeared calm and compliant inside the venue, however due to the large number of males and females from the travelling community being inside the venue, and with only one serial available, awaited further units to arrive prior to going into the venue. As further units arrived from KF and JC serials, all officers went into the venue and could see that the function was all calm and compliant, with approximately 40 males and about 30 females. Officers had also noticed that there were plastic crunched up beer glasses and empty glass bottles all over the floor and furniture moved around the venue, however there was no visible damage to the venue and the staff had not made any allegations to officers, nor was there any offences apparent or alleged.

A little while later males were asked to leave the venue by officers and slowly males started to leave along with females. As all males and females had left the staff at the venue had closed the gates and shutters, stopping from them coming back into the venue.

Mr Ben STOKES of [REDACTED] is apparently the assistant manager at the venue and he was present at the time when officers arrived on scene. When asked about the licensee being present at the venue Mr STOKES stated that he was not present and that the licensee was a Mr Adam BUTTERWORTH.

Information

Police were called to HERBERT GARDENS following reports of three males, believed to be from the travelling community were trying to do building work on an address of an elderly FEMALE, who was unsure whether they wanted work completed.

Three males, aged in their forties approached two elderly neighbours and advised them they needed work doing to their rooves. One of the elderly females allowed one of the males into her house and he went into the property allegedly to check for damp. The FEMALE was with the MALE the whole time and he did not take anything, just had a look at the walls.

At the other address the MALE went into the garden and two males put up a ladder to get onto the roof. When discussing the work with the females the males stated that the work needed to be done, but would not give a price before attempting to start work.

A neighbour saw what was happening and called police. The males made off in a silver transit type panel van prior to police arrival. No VRM was acquired.

It is suspected that the males were seeking to do work on the houses without permission and then charge for the work they claimed they did. No work was completed on this occasion.

The males are described as follows:

MALE 1 - IC1, short dark hair, clean shaven, large build, a/a 40-45 wearing a blue top and light brown boots.

MALE 2 - IC1, slim build, pockmarked face, short fair/light brown hair wearing jeans and boots a/a 40-45.

MALE 3 - No further description other than IC1 a/a 40-45.

Informant stated they all had Irish accents and were believed to be from the travelling community and are trying to scam elderly people out of money for bogus work.
